Description: It is mandatory to register with the Export Promotion Bureau (EPB) to get preferential market access in applicable countries. Bangladesh is getting preferential market access under the Generalized System/Scheme of Preference (GSP) of the WTO, as well as under Regional Trade Agreements (RTAs), including Asia-Pacific Trade Agreement (APTA), SAARC Preferential Trading Arrangement (SAPTA).

To know more about the arrangements, click here: [Click](#)

Legal Basis of the Certificate: N/A

Responsible Agency: Export Promotion Bureau (EPB)

Applicability: Anyone who wants to avail preferential market access benefits to applicable countries

Time of Submission: Before Export

Method of Submission: Online

Fee: BDT 2000 (Taka Two Thousand)

Processing Time: 7 working days

Validity: 5 years

Steps to get EPB Enrollment Certificate

Step 1: Create an online account in EPB's [Exporter Management System](#). The information required to open an account is: organization name, email, exporter type, service office address, authorized person name and mobile number, and password.

Step 2: Login into the account with the email address and password and select "Application" for registration.

Step 3: Fill up the Application Form with the required information including TIN No, BIN No, Address, Phone No, Email address, Product HS code, etc.

Step 4: Submit the application Form and proceed with the payment. Online/Offline payment options are available.

Step 5: Assigned officer checks the application and documents, and if everything is fine, EPB issues Registration Certificate online.
