## Detail Process for Importing Chocolate

### Step 1: Obtain Trade License

Trade license is a mandatory document to start any business in Bangladesh. A business needs to declare itself as an importer in trade license. Trade License is issued by City Corporation or Municipality's relevant office (e.g., Union Parishad or Pourashava). An importer has to take Trade License from the area where his business is located.

### **Step 3: Obtain Import Registration Certificate**

Import Registration Certificate (IRC) is mandatory for import of any product, according to the [“The Importers, Exporters and Indentors \(Registration\) Order, 1981”](#) . Currently, the Office of the Chief Controller of Imports and Exports (CCI&E) is providing the certificate. The detail process and requirements of obtaining the certificate can be found here: [Click](#)

### **Step 4: Obtain Pro-forma Invoice**

It is mandatory to have Pro-forma Invoice for import according to Import Policy Order 2021-24. An importer sends a written request to seller for information regarding the price and the terms on which the seller will be able to supply goods. In reply to this enquiry, the importer will receive a quotation from the exporter which is generally known as Pro-forma Invoice (PI).

Bangladesh Bank has published a circular, containing the requirements for Pro-forma Invoice. The circular of Bangladesh Bank can be found here: [FE Circular Letter No. 10 dated September 18 2021](#)

### **Step 5: Obtain Insurance Cover Note and Insurance Policy against the Insurance Cover Note**

According to Import Policy Order 2021-24, an importer shall purchase Insurance Cover Note either from the Sadharan Bima Corporation or from any Bangladeshi Insurance Company and a duly stamped insurance policy against this Cover Note. The stamped insurance policy needs to be submitted to the Customs authority during the release of goods.

### **Step 6: Place Order through opening irrevocable LC**

Except for the exception provided in the Import Policy Order 2021-24, all import shall be done opening irrevocable LC. The documents mandatory for opening LC are:

- a. LCA form with signature
- b. Pro-forma Invoice/Indent
- c. Membership Certificate
- d. IRC

### **Step 7: Obtain Clearance Certificate from Bangladesh Standards and Testing Institution (BSTI)**

BSTI is responsible for checking that chocolate is consistent with the Bangladesh Standard (BDS). The sample for test is collected when product arrives at the port and the process is a part of customs clearance process.

The process for obtaining Clearance Certificate from BSTI can be found here: [Click](#)

## Step 8: Obtain Radioactivity Test Certificate

It is mandatory to collect Radioactivity Test Certificate from Bangladesh Atomic Energy Commission (BAEC) for importation of processed food. The sample for test is collected when product arrives at the port and the process is a part of customs clearance process.

The process of obtaining Radioactivity Test Certificate can be found here: [Click](#)

## Step 9: Prepare and Obtain Necessary Documents from Seller for Customs Clearance

After placing the order, an importer has to prepare documents for Custom clearance and other regulatory requirements. The documents that are mandatory for chocolate import are:

- a. Authorization Letter to the C&F agent issued by the importer
- b. VAT/BIN Certificate
- c. Bank-endorsed Letter of Credit Authorization for customs copy
- d. Bank-endorsed Letter of Credit for Customs copy
